# WELCOME

Welcome to The Mila Moursi Spa at The Inn. Our exclusive spa facility is built around the beauty rituals, teachings, techniques, and premier products from celebrity-favorite skin expert, Mila Moursi. Here we invite guests to indulge in face and body treatments rooted in relaxation, rejuvenation, and results-driven skin care. Through the synergy of science, nature, and expertise our treatments help restore and maintain healthy-looking, radiant skin. Many of our treatments feature Mila's own dry contouring and sculpting technique to lift and firm the skin without the use of machines. This technique naturally smooths, contours, and tightens skin while increasing circulation, stimulating cellular renewal, and encouraging a radiant, rosy glow.

## MILA MOURSI

Before opening her own spa in 1981 and launching her own brand in 1985, Mila Moursi studied esthetics in Paris, going on to study cosmetic chemistry as a disciple of Dr. Louis Renaud, renowned French chemist and artisan known for creating luxurious and timeless formulas. For 30 years and counting, Mila has provided her A-list clientele luxuriously effective French skin care and treatments at the Mila Moursi Skin Care Institute in Los Angeles.

## MILA'S PHILOSOPHY

Beauty and wellness are interconnected, and beauty radiates from within. Eating healthily, getting proper sleep and hydration, and leading an active lifestyle all contribute to good skin health. Mila teaches her clients about the importance of consistency and discipline in their lifestyle choices and many of our offerings can be purchased in series for ease of regularity.
